## INSTRUCTIONS

1. Wipe a damp sponge over the entire plate to remove dust and contaminants.
2. Trace the pattern and lettering onto the tissue paper with a pencil. Choose the quote you like best from the provided patterns or come up with your own.
3. Place the tissue paper over the plate and trace over the pencil lines with a dark water-based marker. Hold onto the tissue carefully so that the design doesn't shift as you trace.
4. With a round brush, paint the purple roses with 1-2 thick coats of curved single strokes. Reload your paint brush before each stroke to create a textured look.
5. Paint 3 coats of Squash Blossom on the tulips.
6. Paint 3 coats of Guacamole on the rounded leaves.
7. Paint 3 coats of Grasshopper on the rounded leaf stems.
8. With a liner brush, use Perfectly Purple to add petal details to the roses.
9. Using the back of the pencil like a stamp, make Kiwi dots for accents around the roses and leaves.
10. Using the back of the pencil like a stamp, make Blush dots between the tulip petals. Then with a liner brush, connect the dots to the flower.
11. Fill a writer bottle with some Licorice.
12. With the writer bottle and medium tip, trace over your lettering.

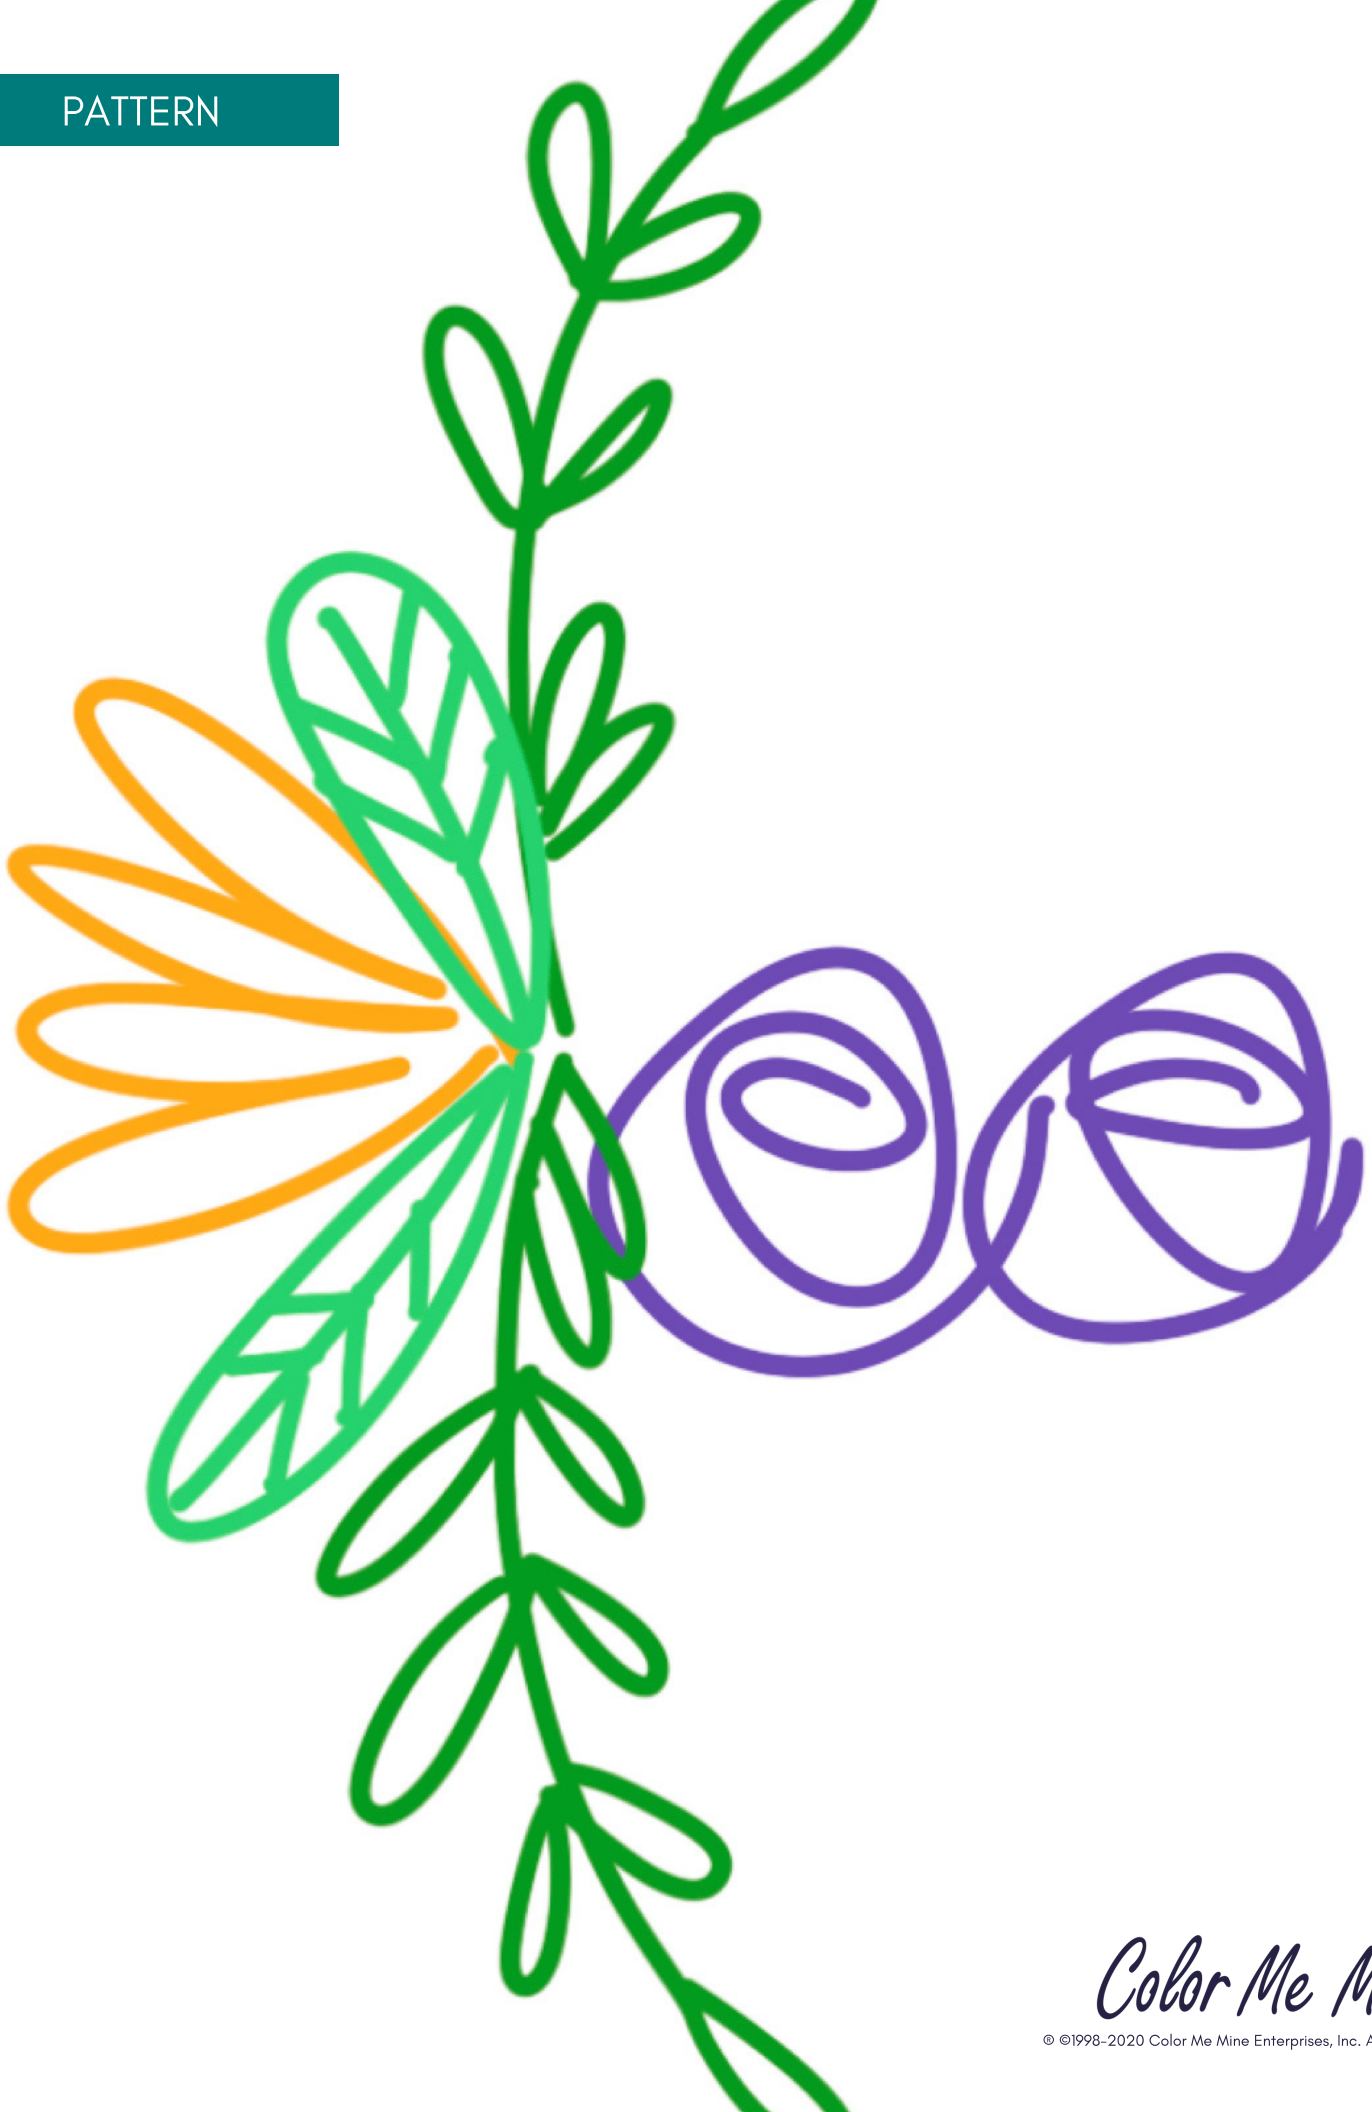

## TIPS

- Allow paint to dry between coats.
- Wash brush between colors.
- Use the patterned phrases or come up with one of your own.
- Use a contrasted colored marker to make the pattern more visible as you are painting.
- Use masking tape to hold the tissue paper while you are tracing if it shifts.
